

Do You Remember...

1984 and *Logan's Run* and *Fahrenheit 451*,
where one lone hero fought courageously
against the malicious machinations of an
evil, merciless, fascistic, all-intrusive,
mind-and-body-controlling, soul-crushing
government and media establishment
that was intent on the complete subjugation
and relentless exploitation of every single
individual on earth who was not a part of a
privileged and utterly corrupt elite?

Well, that's pretty much what goes on every day at
